Rules/Qualifications

*****As we get ready for the election, we want to help you understand how MSNA members are eligible to have their names included on the ballot, as well as what rules govern the election.**

What is the Leadership Development Committee? The LDC is composed of: the most Immediate Past MSNA President*-who serves as chair, two chapter presidents or vice presidents appointed by the current president, and the two members elected by the membership. The elected members serve a two-year term, and the chapter presidents serve a one-year term. All members of the LDC must be members in good standing and be employed in an eligible field. Once a slate of officers is completed, the LDC Chair sends the slate to the Executive Board. **In 2022, the immediate past President was not able to serve. The 2020 past President served as LDC chair instead.*

Who is eligible to have their name on the ballot? All candidates for office must be members in good standing-must maintain SNA/MSNA membership and have been a member for a minimum of two years immediately preceding nomination.

What are the qualifications to run for office? All candidates must have demonstrated leadership ability by serving on the MSNA Executive Board, a local chapter board or a standing committee.

What does the LDC members do to find members to run for office? The LDC uses a roster of names compiled of members who have served on committees, chapters and the executive board. Those names are verified they have met all the eligibility requirements and then are contacted by a LDC Member. A tracking log is kept of who has been contacted and their response.
