

Dear MSNA Members,

As we welcome the arrival of spring across our beautiful state, I want to take a moment to extend my warmest wishes to each of you. The energy and renewal that comes with this season is a great reminder of the important, ever-evolving work we do in school nutrition. Your dedication to serving students every day – through all seasons – is both inspiring and essential.

With the school year steadily moving forward, I'd also like to share a brief update on the financial health of our organization:

MSNA is committed to maintaining transparency and making thoughtful financial decisions that support our mission. Whether it's investing in advocacy efforts, professional development, or statewide events, our goal is to ensure that MSNA continues to grow and thrive – so we can support you, our members, in the best possible way. Here's a snapshot of our financial standings as of March 31, 2025, along with a comparison to the same period last year to provide a clearer picture of our current financial position.

I'm pleased to report that the Minnesota School Nutrition Association remains in strong financial standing. Our continued focus on responsible budgeting, strategic planning, and careful stewardship of resources has allowed us to maintain stability while also supporting the programs and professional development opportunities that matter most to our members.

We've seen successful outcomes from our recent events, which not only provided valuable training and networking, but also helped support our operating budget. Additionally, member dues and sponsorships continue to be a critical part of our sustainability, and we're grateful for the ongoing support from districts and partners across Minnesota.

Thank you for your ongoing commitment to the children and communities you serve. I look forward to seeing many of you at upcoming events and continuing the important work we do together.

Wishing you all a bright and joyful spring season!

Warm regards,

Jess Peña
