SHOW UP AND MAKE IT HAPPEN A VIRTUAL CONFERENCE EXPERIENCE PROVIDED IN OUR VIRTUAL CONFERENCE CENTER

Like many things over the past few months, our State Conference has had to reimagine itself. The California Conference pivoted to a Virtual Conference and has agreed to partner with us to help our members connect, gain professional development hours, and share ideas and products. The dates will be Thursday October 29 – Saturday October 31st. So, Show Up and kick off the conference with one of the always informative conference sessions.

We will be joined by School Nutrition Professionals from a number of states to share our collective knowledge and trianing! So far, the states include: California, Minnesota, Texas, Mississippi, Massachusetts, Nevada and Utah.

During the 3 days of conference, there will be a variety of educational breakouts, general sessions, and keynote speakers that will excite and motivate you to go back to your District and Make It Happen!

Be sure to visit our first ever virtual trade show where you will be able to get information on new and exciting food items as well as learn about equipment, packaging, technology and so many other things that help make school meal programs great! There will be designated times for you to chat live with exhibitors in their vitural booth.

On Friday night there will be a School Nutrition Heroes Virtual Dance Party to celebrate everyone who has *Shown Up this year and Made it Happen*. To register or for more detailed information on all the activities planned for this conference, visit calsna.org. *Don't miss out on early bird pricing for registration. A \$20 discount off registration is offered to any school district registering 20 or more people.*

AWARDS & CONFERENCE WRAP-UP

SATURDAY, OCTOBER 31
11:00 A.M - 11:45 A.M. PST

We couldn't let this year's Conference go by without recognizing our members who are receiving awards for thier outstanding achievenets in Child Nutrition this past year! Join us as we honor these School Nutrition Heroes during our Annual Awards ceremony! It will be an Awards ceremony like none before, in a year that has been like none before and we invite you to be with us to honor your peers in the best way that we can in 2020.

This will also be a chance for us to wrap the virtual conference up with thoughts on how things played out and to leave you with some notes on what to expect from CSNA as we finish out 2020 and move into 2021. Please make it a point to stay with us until the session is through to understand the tools that will be available to you following the conference and for CSNA to help you navigate the unknown in School Nutrition going forward.
